Jermaine Hinds is professional and responsive mortgage broker. I understand that some may be handling multiple clients at the same time so I don't mind for a mortgage broker to reply back in 48 hours. But Jermaine has always been responsive to my questions in less than 2 hours. I find that impressive.

Thanks Jermaine, for helping with the recent equity take out deal to be approved. Up and away I go with more properties.

I was looking for a mortgage broker in Scarborough that can help me secure a private mortgage at the best rate and Jermaine Hinds was able to do just that. He was able to secure me a mortgage despite my poor credit score. He guided me through the entire process, and he is responsive to my questions. I couldn't be happier with his services and I would highly recommend him to anyone who wants to get a mortgage with a trustworthy broker.
